June 23, 2023

Dear Community Supporter,

The MVHS Warrior Band Boosters, Inc. is proud to support our students and honor the hard work they do. We invite you to support your local community by making a donation. We depend on the generosity of the surrounding community to provide the best opportunities for our children. The Magna Vista High School Band program has been growing over the last few years and we hope to continue to expand more in the future.

In order to have a successful year we seek donations from the local community, area businesses, and parents. We also raise money through fundraising activities and sponsorships. Many volunteers work hard to help the Magna Vista Band Program have a successful competition and football season. All donations are tax-deductible to the extent allowed by law. The MVHS Warrior Band Boosters, Inc. is recognized by the Internal Revenue Service as a 501(c)(3) organization. As a result, your donation is tax-deductible to the extent provided by law and based on your tax situation. In accordance with IRS rules and regulations, donors are advised to verify an organization's 501(c)(3) tax exempt status. Copies of our IRS Exemption Letter are available upon request.

In the past we have used these sponsorships to help promote and assist with activities the band participates in such Saturday competitions and the yearly show shirts that every child is provided with for the season. We also use these funds to lower the cost of trips the students go on. Earlier this year our students went on a weekend trip to Radford University and Dollywood that only cost each person \$100.00. We were able to help cover the charter buses and covered every meal so all students could enjoy themselves and have an opportunity to participate. Only with your help can we continue to provide the level of support our students need and deserve. Thank you for considering a donation to this very worthy cause. Sincerely,

This is an excellent way to support music programs that are important to students. Aside from being a great reference and souvenir for our students and families these concert programs as well as the other sponsorship opportunities help to cover expenses not included in the school budget. We are also able to accept in-kind donations that can go towards the partnership level if that is preferred. Please contact me directly and we can work out the best solution for you.

Thank you for your consideration of support to contribute to the success of our upcoming year. We are also very open to your creativity and whatever activities work best for your business.

Best regards,
